Welcome Back

Welcome back everyone! We hope you have all thoroughly enjoyed your summer break and are looking forward to the year ahead. All of the children have excelled themselves and settled so well this week, so a huge well done to them.

Keeping our Children Safe

We ensure that safeguarding permeates all aspects of our school life. There can be no issue of greater importance to our staff, governors and parents and carers, than the safety of our children. We ensure that the following underpins everything we do:

- Protecting our children and learners from maltreatment
- Preventing impairment of our children's and learners' health or development
- Ensuring that our children and learners are growing up in circumstances consistent with the provision of safe and effective care
- Undertaking a role to enable those children and learners to have optimum life chances and to enter adulthood successfully

If you have concerns about any child, please to speak to one of our Designated Safeguarding Leads:

- Mrs Humphrey (Headteacher) - Designated Safeguarding Lead
- Miss West (Deputy Headteacher) - Deputy Designated Lead
- Mrs Lockhart (SENCo) - Deputy Designated Lead

Earrings Reminder

Earrings are not allowed to be worn in school; this includes clear plastic ones. If your child comes to school wearing earrings and cannot remove them independently, you will be contacted and asked to come to school to do so.

Support for families

If you are a member of the Armed Services, you will probably already know all about the government's funding scheme – Service Children Pupil Premium. The additional funding aims to help schools provide a support system for service children, who often have to move schools regularly or deal with separation from a parent serving overseas. For schools to secure the right funding to support pupils, we must have correct information recorded for your child. Therefore, can you please let us know if either parent/carer is a current serving member of the Armed Services.

In addition, the DfE make additional funds available for students who have been adopted from care. You are under no obligation to provide us with this information, however, if you wish to discuss this any further, please contact us to make an appointment to meet with myself or Miss West, Deputy Headteacher.

Please remember if your financial circumstances change even for a short while you may be entitled to benefits related free school meals which will stay with your child, under the current regulations, for the rest of their school days and schools can also provide support with the likes of breakfast clubs, after school clubs and trips too. If you would like more information, please contact Mrs Lister for a form or head to the council website direct: <https://www.gateshead.gov.uk/article/7433/Free-school-meals>

Attendance Guide for Parents/Carers

What YOU must do:

- Telephone the school before 9am each day of your child's absence.
- Tell the school in advance, of any medical appointments and bring in appointment cards/letters.
- If you are not sure whether your child is well enough to attend school, send them in anyway as they often perk up on arrival.
- Have a backup plan for if your child misses transport, call on a family member, neighbour, or friend.
- If you and your child are experiencing difficulties with school attendance, then talk to us as a first step so we can help!

What WE will do:

- Check your child's attendance every day.
- Phone home to discuss your child's attendance with you.
- Invite you into school for attendance meetings if we are concerned.
- If we cannot establish a reason for absence, then we may make a welfare home visit.

Home Learning

Home learning is a very important part of a child's education and can add much to a child's development. We recognise that the educational experience that any school by itself can provide is limited by the time and resources available; children can therefore benefit greatly from the complementary learning that they do at home. Parents and carers have a vital role to play in their child's education, and home learning is an important part of this process. We ask parents and carers to encourage their child to complete the home learning tasks that are set on e-schools each Friday and are to be completed by the following Thursday.
