Calling all Parents/Carers/Grandparents - WE NEED YOU!!

Our fabulous school hosts many additional activities for the children to make their school year even more fun, as well as bringing in vital funds to support our resources. This would not be possible without the generous support of our fundraising committee! If you would like more information, please drop-in or call Mrs Lister in the office.

Thank you!!!!

On behalf of everyone at Portobello, we want to extend our heartfelt thanks to Candice Hudspith for her incredible efforts once again to raise funds for our sensory environment. Her enthusiasm and generosity have made such a meaningful difference once again to our children. We have now been able to purchase a sensory hammock and engaging sensory toys to support children's learning, play and regulation. Thank you for your kindness and support.

Packed lunch/snacks

Can you please ensure if grapes are sent in as a snack or as part of your child's packed lunch that they are cut up to stop any choking accidents occurring. Thank you for your cooperation.

Royal British Legion Poppy Appeal

Huge well done to Harry C from Year 2 who has raised over £300 for the British Red Legion, by baking, decorating and selling over 100 cakes. Well done to Harry, what a fantastic achievement. Thank you to everyone who has supported Harry's fundraising.

Collection of children at the end of the day

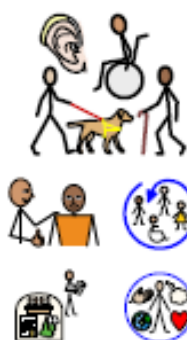

When collecting your children from school at the end of the day could we please ask that when you see your child you move forward towards the staff member on duty so that they can see you clearly. This will help us, to help you, keep your children safer.

Staff carpark

We would like to remind our families that our staff carpark should not be used to drop-off or collect children. Doing so makes it an unpredictable and therefore unsafe environment for other children.

Rights Respecting Article 23

23

If I am disabled, I have the right to special care and education

Disabled children should be supported to reach their full potential. They should be provided with activities with others so that they can be an active participant in their own community.

Governments should make sure disabled children receive an education, health care and opportunities to relax, play and do other activities.

This year we are celebrating Children in Need by wearing ether PJ's or/and Oodies. Donations of £1 cash or via the School Gateway would be greatly appreciate for this amazing cause.

Throughout the day Children will be partaking in PE lessons with Joe Wicks!

Our school council is arranging an additional fundraising activity for children to take part in called Bear Pong. The player with the highest score will be the winner and recieve their very own Bear Pong medal, to partake it will be 50p per child.
