Rights Respecting Article of the month: Article 12

12

I have the right to be listened to, and taken seriously

When adults are making decisions that affect children they should ask them what they think.

Adults should take account of children's views when making the decision.

Children should be supported to give their views in a way that is best for them.

Fundraising for Benny

We are having a non-uniform day on Thursday 19th February, which is our last day of this term, we hope you can help us to raise some much-needed funds to help Benny receive lifesaving treatment. Benny is known to some of our families who have asked us if our school can support their friend. Please click on the link and read Benny's story. Can we ask you to put your hand in your pocket and donate £1 for your child to come into school in non-uniform. They can come in whatever clothes/dressy up outfits they wish, so long as they are warm enough and the clothing is suitable for school. No cropped tops please and easy toilet access clothing a must! <https://www.justgiving.com/campaign/benjaminahmanizad>

Benny is fighting a life-threatening cancer

Benny is a happy and caring four-year-old who loves dinosaurs, Ninja Turtles, pizza and dreams of playing for Newcastle United when grows up. In February 2023, at just two years old, he was diagnosed with stage 4 high-risk neuroblastoma. After completing treatment in March 2025, he began DFMO, a relapse-prevention drug. Sadly, scans in September showed that Benny's cancer had returned. His family is now fundraising in the hope that they can travel to Rome for life-saving treatment.
