### Red to Toe non-uniform day

Are you red-dy to put a new spin on non-uniform day? From scarlet socks to ruby slippers, a raspberry beret to a crimson cape, a red bow or homemade badge (or just a classic Red Nose or a Red Nose Day T-shirt), Everyone to wear something red in return for a donation. Bonus points to anyone who goes red from head to toe too.

### **British Science Week**

We have had a brilliant Science week! We have welcomed lots of visitors into school who have delivered lots of exciting and engaging workshops! We have enjoyed learning about their job roles, how they link to science and thinking about what we may like to do in the future! We have asked lots of great questions to broaden our knowledge and we have thoroughly enjoyed taking part in lots of weird and wonderful Science activities and experiments!

### **Families March/April magazine and newsletter!**

In this issue, we look educating for the future of AI, how stories can teach our kids to love solutions and the different ways that schools engage children and homework. Enjoy a recipe for some yummy Easter treats and some gardening project ideas for kids of all ages.

### **Gateshead Council Events**

#### **Creative family workshops taking place this spring:**

Enjoy family time this spring with two creative events from our Learning and Skills team, including a Mother's Day pottery session (15 March) and an Easter air-dry clay workshop (9 April). Both events offer fun, hands-on activities for all ages and the chance to make something special together.

### **Children and Phone Safety - NSPCC**

The NSPCC's guidance on children, mobile phones and online safety is a useful resource which addresses one of the most common questions schools are asked: when is a child ready for a phone, and how can families manage the risks?

Their guide offers balanced, practical advice on readiness, boundary-setting, parental controls, and ongoing conversations about safe and responsible use.
